

The Organizational Tree Request is required to be completed by departments to propose changes to Nodes impacting the budget, finance, HR, and student Organizational Trees. Additional information can be found on the [Organizational Tree Guide](#). The approved form is submitted to the Org Tree Committee for review by emailing the request to [MU Accounting](#). The Committee meets on the first Monday of the month regarding tree requests. If requesting new DeptIDs use the [Chartfield Request Form](#). If requesting changes to existing DeptIDs email [MU Accounting](#).
